Dear Sir:

I sent Chester a check three weeks ago for your swell Photographer to make some pictures of Mule. He made the best one I ever saw of him, when we were in Pittsburgh last year. See if you can't get it from him.

I sent you a nice picture of the Team last week. Did you receive it? I have no individual picture of Wells. Some one on your Staff must have taken some pictures of both men at last East-West games.

I will have my publicity man send you stories. Get records from Cum Posey, I am sure he has them all.

Very truly yours,
